Taking on Tragedy

Psalm 23, Reflections on Job

January 21, 2018

GETTING TO KNOW ME

Briefly, what are some ways that you have responded to help others who have suffered tragedy?

How do you personally find it difficult to respond to others who are suffering tragedy?

INTO THE BIBLE

Read **Job 1:6-12; 2:1-6**. Explain why it is not a good idea to give people a reason for their tragedy? **Hint:** Do we normally get a glimpse of God's throne room?

Read **Psalm 23**. If the goal of Christian maturity is to grow into the fullness of Christ (be like Him), then synthesize what being like Him would look like for each of the things the Good Shepherd does.

APPLICATION

What are some things you personally will commit to in order to help prepare yourself to minister as part of the Body of Christ during tragedy?
