GETTING TO KNOW ME

Share your thoughts on the nation of Israel and where they stand in history and what will become of them in the future.

INTO THE BIBLE

Before beginning this next section, go to YouTube and watch the video from “Prager U” entitled: “*The Middle East Problem*”. What is your reaction to the video? Did you learn anything new or see things in a different way?

In **Luke 19:11**, what did the disciples expect would happen immediately? What does Jesus’ answer teach us in **Luke 19:12-27**?

Read **Romans 11:1-36**. Describe the relationship between Israel and the Church.

How is the purpose of His second coming in **Hebrews 9:28** different from that of His first?

Give three passages from scripture about what will happen to the Nations, to Israel, and to the Church in the second coming of Christ. What can we learn from them?

APPLICATION

If Jesus gave us warnings about what to expect before His second coming, then how can His coming be “imminent”? How can Christians be expecting Him to come any day?

What one thing would you change in your life if you knew that Jesus would return at the end of this year?
