"Help Has Come"

John 14:15-13 Part 1

November 4, 2018

GETTING TO KNOW ME

Share, as much as you feel comfortable, about a time of great sadness in your life. What are the ways God used to Help you out of it?

Do you think your obedience to the commandments of Jesus plays a role in your happiness in life and in your relationships with both others and with God? What are you basing your answer on?

INTO THE BIBLE

Read **John 14:15** and **Matthew 7:21-27**. Based on these readings, create your own definition of what qualifies a person as a True Disciple.

Can it be possible for a person to do great things in the name of Christ, even powerful things, but not be a true Disciple of Christ? Explain your answer and, if you are able, give scriptural support.

Why is it that the world cannot receive the Holy Spirit of God? Why can it not understand the Mystery of the Trinity? **John 8:31-47; 1 Corinthians 2:14-16.**

How is it then than the world can be saved? **Romans 10:13-17**. Is it our words that save or the Spirit's Call through the words of Christ?

APPLICATION

Jesus said in **John 14:21** that loving obedience bring us disclosure of Himself and oneness and communion with the Trinity. Is this true in your life currently? What steps do you need to take to experience more of the power, peace and happiness that is found only in the Life of God? Will you actually commit to taking them?
