GETTING TO KNOW ME

What do you think God ultimately wants from those who are His, more than anything else, and why?

INTO THE BIBLE

In what ways are we to be united as one? - Give supporting scriptures.

How is our unity in God different from Jesus as deity being one with Him?

Based on a reading of **John 17:20-26** answer the following questions. (*Feel free to add supporting scriptures to your answer*):

What will the world not believe if God's people don't demonstrate unity?

What kind of unity does Jesus expect among His disciples?

In **v22** Jesus speaks of giving us a portion of the glory the Father has given Him. What kind of glory is this and how is the glory we'll experience with Christ different than the glory of deity?

With what kind of love did Jesus love us, and how can we express that to one another?

What kind of unity does Jesus want all His disciples to share?

APPLICATION

What's the difference between knowing about Jesus *versus* knowing Jesus? Why is understanding this concept so important?

What does really knowing Jesus do for us?
