GETTING TO KNOW ME

How were you saved? What were your thoughts and feelings about God, religion or Christianity before you came to have a relationship with Jesus?

INTO THE BIBLE

Based on **1 Corinthians 1:18-2:14**, answer the following questions:

How is the wisdom of the world different from spiritual wisdom?

In **v14**, who is the “natural person” describing?

What is meant in **v1:21** by “in the wisdom of God, the world did not know God through wisdom”?

What does **v1:27** reveal about God? How do you feel about this?

What is the point of **Colossians 2:20-22**?

Discuss how the above impacts our understanding of epistemology? (You’ll have to look this word up!)

APPLICATION

How might the above impact the way we go about sharing the gospel with the unbelieving?

What lessons can we apply to our own lives from these truths?

In what ways are you living for the Kingdom and for the King?
