John 20: 1-20

April 28, 2019

#### GETTING TO KNOW ME

What doubts have you heard or personally experienced regarding the bodily resurrection of Jesus?

What additional evidence do you think would satisfy those who deny it?

#### INTO THE BIBLE

Read Mat.28:1-10; Mk.16:1-11; Luke 24:1-12 and John 20:1-18.

Based on your reading of the above, answer the following questions:

What is the exact order of events given by each gospel writer? List them.

What seeming discrepancies/differences jump out at you in these accounts?

If challenged with these alleged discrepancies, how would you answer?

According to Rom.10:9-10 what does someone have to believe to be saved?

Does the above refer to a symbolic/spiritual resurrection or a physical one?

#### APPLICATION

How might we prepare more effectively to share the reality of the resurrection with our un-churched friends? - List at least 3 practical things you could do.
