GETTING TO KNOW ME

What requirements do you think God has for you?

Are these requirements biblical?

If not, why do you subject yourself to them?

INTO THE BIBLE

Read **Mark 2:16-17**

- Who did the Pharisees see Jesus eating with?
- From the Pharisees perspective, why should Jesus NOT have eaten with these people?
- Thinking of “Doing Justly” as making what is wrong, right again; how was Jesus fulfilling Gods law by “calling” to these sinners?

APPLICATION

Looking back to Jesus’ interaction with the Pharisees in Mark 2; are we as bold as Jesus was when he sought to justify the “Sinners and Tax Collectors” with no regard for what was traditional or culturally acceptable?

Keeping in mind that we have been forgiven and have received salvation; what should we remember the next time we have an opportunity to be bold like Jesus?
