GETTING TO KNOW ME

As you look back, can you identify any particular tests of faith that God allowed you to go through? If so, how have you responded?

How have these experiences prepared and equipped you to do His will?

INTO THE BIBLE

Read Numb. 14:6-9. What is Joshua saying here, and upon what does he base his statements?

Read Numb 14:10. What is the people's response and upon what do they base their reaction?

In Josh. 1:6-8, what things is the Lord asking for?

What does God promise in return for the above?

As you consider the fact that so many of the people of the land of Canaan were killed, leaving no survivors and taking no prisoners at God's command, how would you answer someone who objects to such actions, accusing God and His people of atrocities, cruelty and injustice?

According to Deut. 9:4-5, what was one of God's purposes in allowing the above to take place?

Instead of injustice, what was God actually bringing to the land of Canaan?

APPLICATION

Why does God call his people be pure, holy and undefiled by the culture in which we live?

What is it about today's culture that makes doing this so difficult?
