GETTING TO KNOW ME

Why do you think Israel kept falling back into their addiction of idol worship?

As you consider the appeal of idolatry for ancient Israel, what similarities and differences could you point out between their kind of idolatry, and the kind that our society finds itself caught up with today?

INTO THE BIBLE

What part of Gideon's actions Judges 6:36-40 could we apply to our lives?

What was the Lord trying to teach the people in Judges 7:1-6?

How might this apply to the predicaments we find ourselves in?

Read Judges 10:6-16. How did the people respond to the Lord, and what lesson can we learn from them?

APPLICATION

Do you see God's people in modern times (or yourself) as being as fickle as those of Israel?

How do you think God responds to faithlessness of His people today?

What life-lesson might we glean for ourselves from the story of Judges?
