STUDY & DISCUSSION GUIDE

GETTING TO KNOW ME

What stood out most to you from our study last Sunday, and why?

As you get older, does your “fear of the Lord” get stronger or weaker?

Expand on your answer to the above? What do you think makes this so?

INTO THE BIBLE

What important points can we glean about God’s holiness from the imagery of Isaiah 6:1-6?

How might the description of God above impact the way we respond to other questions we may have regarding why He does things we don’t understand?

On Sunday, we mentioned that the nature of God’s holiness requires two things on his part, and similar responses on our part—what are these two?

Read Eph. 3:21; 1 Pet. 1:14-16, Rom. 12:1-2; Phil. 2:14, & 1Tim. 6:11-16, and discuss the truths expressed in these passages and the impact they should have on those who would be disciples of Christ?

According to John 15:18-19 & 17:14-19, what response should Christians expect from those in the world?

APPLICATION

What is the purpose of mankind’s existence, or “the chief end of man”, and how does this concept relate to our “happiness” or “fulfillment”?

How can we gain a greater appreciation for God’s holiness, and how can we grow in our own sanctification?
