

# HOPE GROUP

## STUDY & DISCUSSION GUIDE

### GETTING TO KNOW ME

How do prophecies about Christ, like those found in Daniel and other Biblical prophecies affect our daily attitudes and the way we see the rest of scripture?

### INTO THE BIBLE

What does Luke 12:37 tell us that Jesus will do for us when He returns?

Do you believe that Christians will be spared from having to experience tribulation or do you think we will have to endure such things?

What scriptures would you give in support of your answer above?

According to Luke 12:38, what will be the attitude or disposition of those that will be “blessed” when Jesus returns?

How should the question above impact the way we interact with others?

Why is New Hope’s Core Value #10 so important?

What does the Bible say our society be doing on the day that Jesus returns?

What qualities/attitudes/actions will Jesus be looking for in His subjects when He returns?

### APPLICATION

What impact does your expectation of Christ’s return have upon your priorities, the way you live your life and how you interact with others?
